Why Cooley?

We provide every student with a middle school experience that is safe and successful physically, academically, emotionally and socially. Our school is part of the Positive Behavioral Interventions and Supports (PBIS) program, a nationwide team of schools that helps students make positive choices every day and connect with staff in supportive ways. Our school-wide expectations are the following: Be Safe, Be Responsible, Be Respectful, Be Kind.

Why West Park?

At West Park High School our mission statement is: "We Value People and We Love to Learn." Instruction is modeled after innovative, technology-embedded classrooms with flexible learning spaces. The school bases its instructional design on Universal Design for Learning (UDL) and Culturally Responsive Education practices. Professional Learning Teams (PLT) meet weekly to design common assessments, curriculum, analyze student work, and share best practices. We are committed to challenging all students to achieve college level proficiency by completing the California UC/CSU 'a – g' course requirements. In addition, West Park offers a growing Advanced Placement (AP) program as well as dual enrollment courses offered in conjunction with Sierra College. We believe that, by offering students a chance to find their own pathway to success by graduation, students will understand how they learn and will be equipped to succeed in any learning challenge that is in front of them, whether it be in college or careers.
